

## Tildon Values - Open Communication

This is the foundation to all relationships, both personal and professional.

Don't be surprised if we ask you how you like to be communicated with - if you don't ask, you can't effectively communicate!

## Tildon Values Diversity

We honour diversity in every way, from what you look like to how you think.

## Tildon Values Innovation

We are constantly learning so we can pass on the latest information and knowledge to you!

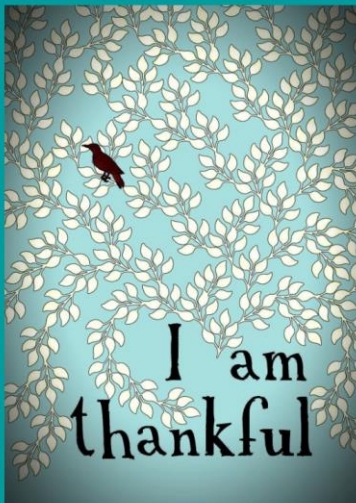

## Tildon Values - Laughter

A day without laughter is a wasted day – we encourage fun and frivolity whenever appropriate.

## Tildon Values Nurture

Just like the smallest seedling, we will nurture you to become your best.

## Tildon Values Thankfulness

We try do everything with gratitude – we are thankful we can help you and that you support us.
